

Using the Detailed Grade Converter for North America

1 This is the type of grade that you'd like to convert. See the Scale Legend (A) for your options.

2 Enter the student's grades on the left side, under the Grade column.

3 Enter the student's credit hours on the right side, under the Credit column. Note: For your convenience, the default is 3, so you only have to enter hours which are not 3.

4 The calculator will provide a Cumulative GPA (top number) and a GPA for just the student's upper division courses.

If either number is below a 3.0, the number will be flagged in red (see bottom example).
